Dear FPPC Commissioners

At the August meeting Galena West agreed to bring Stipulation 19-475 back at the October meeting.

At the September meeting Galena West agreed to give an update on the Stipulation at the October meeting.

I do not see the Stipulation or an update on the Agenda for today's meeting.

As a matter of housekeeping, with deep respect for the Commission's prerogative of setting its own agenda, I request that an update be presented by the FPPC staff to the Commission prior to Public Comment for items not on the agenda.

Respectfully, I do not want to wait until the end of the meeting to make a statement and will appreciate an opportunity to respond After the staff provides an update.

Please consider my request in the best sense of providing the public a meaningful opportunity to participate in meetings of a public agency.

Sincerely

Stephen C Petzold

behested payments. Chair Miadich and Commissioner Cardenas recommended in October to take up four matters: hear additional input on Enforcement Regulation, hear feedback from interested persons and stakeholders on streamline regulations, receive a follow up report on behested payments, and receive a legislative update if additional legislative information is available. Chair Miadich also suggested to consider changes to the Commission Code of Conduct.

**L. Executive Staff Reports.**

Loressa Hon, Chief of Administration, stated that over 400 filers have not filed their annual report, even after the filing deadline had been extended to June 1, and Staff are preparing to refer those cases to Enforcement for non-filer purposes.

**M. Commissioner Comments and Proposed Future Agenda Items.**

Commissioner Hatch mentioned the public comment from Steve Petzold regarding the stipulation in the matter of the College of the Canyons Foundation.

Chair Miadich stated that the stipulation is scheduled to come back in October. Galena West, Chief of Enforcement, stated that she is working to gather the information and evidence and could give an update on the stipulation in October.

**N. Adjourn.**

**MOTION:** To adjourn the meeting. Moved by Commissioner Wilson, seconded by Commissioner Hatch. Motion approved 4-0.

Meeting concluded at 11:43 a.m.

Respectfully Submitted,
