This comment is from Gary Winuk, the attorney who represents Paul Davis and his campaign committee in FPPC Enforcement Case No.17-486. The Executive Staff Report on page 12 fails to inform the Commission and the public that probable cause was not found in the case with regard to the count in the matter alleging personal use of campaign funds by Mr. Davis (Count 1 in the original probable cause report). I ask that the Executive Staff report be amended to accurately reflect the findings by the probable cause hearing officer that there was no probable cause that Mr. Davis misused his campaign funds.
