EXTERNAL EMAIL

Good morning,

I have been receiving complaints from several folks, that a resident has been going around trying to get signatures on a letter to the FPPC, in ref. to an FPPC decision for Charles Grace of GES. He will not say who he is or who he represents and acts intimidating and threatening to have his letter signed. It would appear that some of these letters may have been signed under stress.

I thought I should let the FPPC know of the complaints.

Best Regards,

Gwen Kellas
