Subject: Comments RE: Item 5 on Feb. 16th Agenda

EXTERNAL EMAIL

Hello,

The City Attorney's office in Long Beach would like to share a comment related to Item 5 on the February 16th agenda related to the Levine Act. Specifically:

We are under the impression from previous FPPC communications that the Levine Act applies to officeholder accounts, but in looking at the proposed regulations for 18438.6, none of the sections reference "officeholder accounts." We ask that the regulations be amended to clarify the application of the Levine Act to accepting, soliciting, and directing contributions to officeholder accounts.

Please let me know if you have any questions. Sorry, I tried to use the public comment portal but it still references the previous FPPC hearing.

Thanks,
Tyler
