Under the Compensation and Reimbursement Policy for members of the Commission, any claim for compensation for preparing for meetings or hearings of the Commission which exceeds forty hours of preparation (not including Commission meeting day or Committee meeting days) in a calendar month must be approved by the Commission during a regularly-scheduled Commission meeting.

Commissioner Hatch has requested compensation for months that include more than 40 hours of time spent for preparing for meetings of the Commission. Those timesheets are attached. For the April 2018 request, 43 hours were for Ad-Hoc Committee work and for the May 2018 request, 30 hours were spent on Commission meeting preparation.

Should the Commission approve the requested compensation, staff will process the requests accordingly.
