Re: Request for Extension of Conflict of Interest Code Exemption – Independent Peer Review Group

Dear Lou Thompson:

This letter grants your request for an extension of the Independent Peer Review Group (“Group”) exemption from inclusion in a conflict of interest code under California Code of Regulations Section 18751.

Based on the information provided in your declaration, there have been no changes to the Group since the granting of the last extension (i.e., the Group does not possess decision making authority and is formed for the sole purpose of reporting and making recommendations to another government body).

Under Regulation 18751(g), an exemption expires after two years and agencies must adopt a conflict of interest code, request an extension of the exemption, or submit a new request for exemption. If the nature of the Group’s authority changes and employees and/or members make or participate in the making of governmental decisions, the Group may need to adopt a conflict of interest code or be added to another agency's conflict of interest code at that time. If you have any questions, please feel free to contact Maria Almaraz at malmaraz-mirazo@fppc.ca.gov.

Sincerely,

Sukhi K. Brar
