MEMORANDUM

To: Interested Persons

From: Alana Jeydel, PhD, Manager Education Program, Legal Division

Date: November 6, 2020

Subject: Updated Lobbying Forms 601, 602, 602, 604, 605, 606, 607, 615, 625, 630, 635, 636-c, 640, and 645 for Cal- Access Replacement System.

Revisions have been made to the instructions and content of the above referenced forms in order to incorporate needed changes resulting from legislation that will go into effect early next year [SB 1239 (2018)]. Other non-substantive changes have also been made. These changes are required in order to implement the Secretary of State's Cal-Access Replacement System ("CARS") project. The changes will be effective when CARS goes live, which is planned for February 2021. All changes are highlighted in yellow. The changes have been made on drafts that were approved by the Commission for CARS in September of 2019.

Staff plans to present the above referenced form changes for approval at the December 17, 2020 Commission meeting. An Interested Persons meeting will not be held but staff strongly encourages persons to submit comments and suggestions in writing to ajeydel@fppc.ca.gov by December 1, 2020.
