Legislation

AB 808 (Addis) – Cal-Access Replacement System Clean-Up Bill

Short Summary: AB 808 makes conforming amendments to sections in the PRA that become operative after the certification of the Cal-Access Replacement System by the Secretary of State.

Detailed Summary:

Background: Cal-Access is the statewide campaign finance and lobbying reporting platform, created and administered by the Secretary of State. The Cal-Access Replacement System, known

as CARS, is currently in development and will be a modernized, data-driven filing and search system. Several sections of the PRA have been amended by prior legislation with delayed operative dates, set to take effect after CARS is certified by SOS.

Eliminates filing by fax: AB 808 would eliminate references to filing by fax in the PRA.

Deletes reference to “forms”: AB 808 would delete the reference to “forms” in the definition of “campaign statement.”

Clarifies when signature verification is needed: AB 808 would clarify for campaign finance reporting, verification is needed for semiannual and pre-election statements. This would clarify that, once CARS is certified, this verification is not needed for the 24-hour/10-day independent expenditure reports, consistent with current law.
