

COMMITTEE REPORTS (FORM 460)

Typically, all general purpose committees (state and local) use the Recipient Committee Campaign Statement (Form 460) to report campaign activity for all semi-annual and preelection filings. The Form 460 is the main campaign disclosure report and provides the public with an overview of the committee's activity, including money coming in and money going out, during a specified reporting period. The report must include all activity during the specified reporting period, even activity from the reporting period that was previously reported on other forms. For example, a contribution that was already reported on a Form 497 (24-Hour/10-Day Contribution Report) must still be reported on the committee's next Form 460.

Committees with minimal activity in a reporting period may be eligible to file the Form 450 (Committee Campaign Statement – Short Form) instead of the Form 460. A Form 450 example is provided at the end of this chapter.

A committee with no activity may file the Form 425 (Semi-Annual Statement of No Activity) as a semi-annual statement. The form simply requires the committee's name and address and the treasurer's signature.

The forms reviewed in this chapter can be accessed from the FPPC website. Software programs are also available for purchase from private vendors. The FPPC does not endorse any specific programs. A list of vendors is available on the Secretary of State's website.

Multipurpose Organizations (including nonprofits and federal and out-of-state PACs)

Multipurpose organizations that are required to file the Form 460 should refer to Chapter 15 to determine which of the organization's donors must be listed as contributors. In addition, there are other special filing requirements that apply. For example, a federal PAC that is filing campaign statements with the Federal Election Commission is not required to reitemize its donors.

A

Statement Covers Period

If this is the first report of the calendar year, the “from” date should be January 1. Otherwise, this date should be the day after the closing date of the most recently filed campaign statement. The closing date is identified on the filing schedule available on the FPPC website.

B

Date of Election

When filing a preelection statement in connection with an election, provide the date of the election.

1 Type of Recipient Committee

Check the “General Purpose Committee” box and if the committee is sponsored and/or a small contributor committee or a political party, mark the applicable circle. (See Chapter 1 for definitions.)

2 Type of Statement

Check the appropriate box to indicate the type of statement being filed (e.g., semi-annual, preelection).

3 Committee Information and Treasurer(s)

This entire section must be completed and should include the same information as provided on the committee’s most recently filed Statement of Organization, Form 410. An email address for the committee, as well as for the Treasurer and Assistant Treasurer (if there is one) must be included. If the committee has not yet received an identification number from the Secretary of State, enter “pending” in the “I.D. Number” box.

4 Verification

The Form 460 is not considered filed if it is not signed. The committee treasurer or the assistant treasurer named on the committee’s Statement of Organization, Form 410, must review the form and complete the verification.

If the committee is sponsored and the sponsor is reporting contributions received through the sponsor or made by the sponsor, the responsible officer of the sponsor must also complete the verification. (See Chapter 1.)

If this is the first report being filed for this calendar year, only carry over the amounts from Lines 2, 7, and 9 (if any).

B. Completing the Form 460 Summary Page

The Summary Page provides an overview of the committee's financial activities and must be completed for each filing. Although the Summary Page is located at the beginning of the Form 460, it should be completed after all other schedules have been completed. Totals from certain schedules are carried forward to the Summary Page.

A Column A – Total This Period

This column reflects the committee's activity during the current reporting period as reported on Schedules A through I. If there is no activity to report on a particular schedule, enter a zero or the word "none" on the appropriate line. There should be no blank lines.

QUICK TIP: Complete the Summary Page last. Totals from some of the schedules are carried forward to the Summary Page.

B Column B – Total to Date

This column generally reflects the cumulative totals since January 1 of the current year.

Add the totals from Column B of the committee's last campaign statement (if any) to the corresponding amounts in Column A to calculate the Column B totals for the current statement. If this is the first report being filed for a calendar year, only carry forward the amounts for loans and accrued expenses reported on Lines 2, 7, and 9 of Column B from the committee's last statement. (Note: The amounts reported on Lines 2, 7, and 9 of Column B should be the same as the total outstanding amounts disclosed in column (d) of Schedules B, H, and F, respectively, of the current report.)

When loans (Schedules B and H) and accrued expenses (Schedule F) are paid, the figures to be carried forward from the schedules to Lines 2, 7, and 9 of Column A may be negative numbers. In this case, be sure to show them as negative figures on the Summary Page (e.g., with a minus sign (-) or in parentheses), and subtract them when totaling Columns A and B.

1 Lines 1-5 (Contributions Received)

Collectively, these lines represent contributions received: monetary, nonmonetary, and loans.

2 Lines 6-11 (Expenditures Made)

Collectively, these lines represent expenditures made: payments, loans made, accrued expenses (bills that are still outstanding), and nonmonetary adjustments.

3 Lines 12-16 (Current Cash Statement)

The Current Cash Statement section should accurately reflect the committee's cash position at the end of the reporting period. If deposits or expenditures have been made that have not cleared the account, the committee's bank balance may not match the ending cash balance.

Beginning and ending cash balances should include the total amount of funds in the committee's campaign checking and savings accounts, plus any investments that can be readily converted to cash, such as certificates of deposit, money market accounts, stocks and bonds, etc.

Line 12 (Beginning Cash Balance)

The beginning cash balance must be the same as the ending cash balance reported on Line 16 of the previously filed statement. If this is the first statement of the calendar year and no previous statement was filed but money was raised or spent in the previous reporting period, enter the amount of cash on hand on December 31. Otherwise, enter zero.

Line 13 (Cash Receipts)

This amount represents the total of all monetary contributions and loans received during the reporting period. Do not include nonmonetary contributions.

Line 14 (Miscellaneous Increases to Cash)

This amount represents increases to the committee's cash position that are not contributions, loans, or repayments of loans made to others. Miscellaneous increases to cash include, for example, interest received to a bank account, refunds received from vendors, certain transfers of earmarked funds, and proceeds from the sale of campaign property or auction items. The amount is carried forward from Schedule I, Miscellaneous Increases to Cash.

Together, Lines 13 and 14 reflect all money that has been received during the current reporting period.

Line 15 (Cash Payments)

This figure represents the total amount the committee has spent during the reporting period, including loans made and any accrued expenses paid.

Line 16 (Ending Cash Balance)

This amount represents the total of Lines 12, 13, and 14 **minus** Line 15. The amount reported on Line 16 must equal the total amount of cash the committee has in its campaign bank account **and** the amount of all funds held in interest bearing accounts, certificates of deposit, money market accounts, shares in government bonds, or any other investments that can be readily converted to cash.

If this is a termination statement, Line 16 must be zero.

4 Line 17 (Loan Guarantees Received)

This figure is carried forward from Schedule B, Part 2. The amount represents the total of all loan guarantees, endorsements, or security received during the period.

5 Line 18 (Cash Equivalents)

This figure includes investments that cannot be readily converted to cash, as well as the balance due on all outstanding loans the committee has made to others.

Do not include any amount that is invested in interest bearing accounts, certificates of deposit, money market accounts, or any other investments that can be readily converted to cash. These amounts should be part of the ending cash figure reported on Line 16.

6 Line 19 (Outstanding Debts)

Report the total of all money owed by the committee. Using Column B, add Line 2 (loans received) and Line 9 (accrued expenses).

Lines 20, 21 & 22

These lines are for certain state candidate election committees. General purpose committees do not complete these lines.

Answering Your Questions

A. Is there any circumstance when Line 16, Ending Cash Balance, would show a negative amount?

If you report a negative amount on Line 16, this means that either you have made a mathematical error in your calculations or the committee's bank account is overdrawn. Rounding off also may cause a small negative in the cash on hand balance.

B. Is there any circumstance when an amount in Column A would be negative?

Yes. When loans and accrued expenses are paid down, the amount reflected in Column A may be a negative amount.

C. What should I do if I am unable to balance my accounting records by the filing deadline?

Since the Political Reform Act does not provide for extensions of a filing deadline, complete the statement as accurately as you can and file an amendment with the corrections as soon as possible.

D. What is the common mistake made on the Summary Page?

Loan repayments are often reported twice, once on Schedule B and again on Schedule E. A loan repayment should only be reported on Schedule B.

C. General Rules for Reporting Contributions Received

Chapter 4 provides detailed information on the following topics and other contribution reporting rules. The information below is only a quick recap of some of the rules.

\$5,000 Contributor – Major Donor Notice

If \$5,000 or more in the aggregate is received from a single source in a calendar year, a “major donor” notice must be sent to the contributor. Do not send the notice if the contribution is from another recipient committee.

Joint Checking Account

If a check is received that is imprinted with two individuals’ names, report the contribution from the person who signed the check. However, if both individuals signed the check, or one has signed the check but both have signed an accompanying document indicating that the contribution is from both, then report 50 percent of the contribution coming from the one individual and 50 percent coming from the other, unless the document attributes specific amounts to each contributor.

Intermediary

If a contribution of \$100 or more is received from someone who is acting as an intermediary, disclose both the true source of the contribution and the intermediary. Failure to report the true source of a contribution is a serious violation of the Political Reform Act.

Contributions from Family Trusts

If a contribution is received from a family trust account, it is attributed to the person who directed the contribution.

Aggregating Contributions

There are a variety of situations in which contributions from two or more donors need to be aggregated for reporting purposes. For example, when an individual who is the sole proprietor of a company makes a contribution from company funds and another contribution from personal funds, these contributions are added together for reporting purposes. Additional information and several examples are included in Chapter 4.

Reporting Cumulative Amounts

Contributions from the same source are cumulated from January 1 through December 31.

Returned Contributions

Not Deposited: A contribution need not be reported if it is returned to the contributor prior to depositing it and prior to the closing date of the campaign statement on which it would otherwise be reported. A contribution of \$1,000 or more received within 90 days of an election, or on the date of the election, is not required to be reported if it is not deposited, negotiated, or cashed and is returned to the contributor within 24 hours of receipt.

Deposited, Negotiated, or Returned After Closing Date:

Contributions that have been deposited or negotiated, or which were not returned prior to the closing date of the campaign statement, are reported on Schedule A. If the contribution is returned within 30 days of receipt, and within the reporting period, the return may be shown as a negative figure on Schedule A. Otherwise, report the return of the contribution on Schedule E.

Returned for Insufficient Funds: If a check is returned from the bank for insufficient funds and the committee returns the check to the contributor during the same reporting period, both the receipt and the return of the contribution may be reported on Schedule A with the return shown as a negative amount. Otherwise, the return is reported on Schedule E.

Enforceable Promises

If a contribution is received in the form of an “enforceable promise” that has not been paid during the period, report the contribution as a memo entry on Schedule A.

Disclose the date of the promise, all of the required information about the contributor, and the amount promised, but do not include the amount in the summary totals. When the contributor makes the actual payment, fully disclose the contribution on Schedule A, if the payment is made to the committee, or on Schedule C, if the contributor pays the vendor directly, and include the amount in the appropriate summary section.

Ex 12.1 – Sandra Nickel informed your committee that they wanted to contribute a total of \$500, in five payments of \$100 each month from June through October. On the committee’s statement due July 31 covering the period January 1 through June 30, the campaign statement must itemize Sandra and report receipt of \$100 on June 1. The statement would not include the future contributions.

Installment Payments

Contributions may be received as installment payments made at regular intervals over a period of time via credit card, debit card, wire transfer, or similar electronic means. When a contributor authorizes a series of installment payments, the contribution is reported as received when the committee, or an agent of the committee, obtains possession or control of the funds for each installment payment.

Sponsor’s Contributions

If the sponsor of a committee collects contributions for the committee by means of employee payroll deductions or membership dues, the committee must disclose the sponsor as an intermediary for the contributions. If an employee or member contributes \$100 or more to the committee in a calendar year, the employee or member must be itemized on the campaign reports.

In most cases, if the sponsor makes contributions from its general fund to other committees or candidates, the sponsored committee may report the contributions as if they were received and made by the committee. The sponsored committee's report must identify the donors that account for the political expenditures using the "last in, first out" (LIFO) accounting method. If any member made payments totaling \$1,000 or more, the member's name, address, occupation and employer must be disclosed. If these contributors do not account for the full balance of the expenditures, the sponsoring organization must identify itself as the contributor of the remaining balance. These committee reports must be signed by both the committee treasurer and a responsible officer of the sponsoring organization. (See Regulation 18419 for additional information.)

QUICK TIP: A membership organization that is the sponsor of a committee may be required to register as a separate recipient committee if it receives payments of \$10,000 or more in a calendar year from a single source. (See Chapter 15 for additional information.)

Contribution Limits

Chapter 5 contains detailed information about the state contribution limits and the requirement for a committee to maintain two separate bank accounts if contributions over the applicable limit are received. A general purpose committee, including a small contributor committee and a political party committee, that makes contributions to state candidates and state officeholders, has a limit on how much it may accept from a single source in a calendar year.

A general purpose committee that pays for certain communications that identify state candidates may also be subject to the contribution limits even if it does not make contributions to state candidates.

Ex 12.2 – A union has a sponsored general purpose committee. The union made a contribution of \$2,500 from its general treasury directly to a state ballot measure committee. This contribution included only income producing funds and not membership dues. On its next report, the sponsored committee reports: \$2,500 from the Sponsor on Schedule A and \$2,500 on Schedules D and E.

Later, the same union made a contribution of \$10,000 to a state ballot measure committee from its general treasury from an account that held membership dues. The Form 460 must identify contributors to the membership dues fund that account for the \$10,000 using a last in, first out accounting method. For example, if the most recent donation to the membership dues account was a \$2,000 payment from donor A, donor A's name would be identified on Schedule A. On the other hand, using the LIFO method to account for the \$10,000, if all of the most recent donor's payments were under \$1,000, no donors would be disclosed.

Donor Disclosure for Multipurpose Organizations

A multipurpose organization (nonprofit) that qualifies as a recipient committee must identify its funding sources for contributions and independent expenditures made. Chapter 15 discusses when a multipurpose organization qualifies as a recipient committee and provides detailed information about how to determine which donors to a multipurpose organization must be disclosed as contributors on a campaign statement.

Contributions from Major Donors

A committee must report the contributions received from a major donor as coming from the major donor and additionally include the "name of filer" of the major donor committee that will report this contribution.

D. Completing the Form 460 Schedule A (Monetary Contributions Received)

Report monetary contributions the committee has received on Schedule A, except for loans (reported on Schedule B). Receipt of repayments for loans made is reported on Schedule H, and miscellaneous receipts are reported on Schedule I.

1 Date Received

List the date the committee obtained possession or control of the contribution. For instance, in the case of a check, report the date the check was received, which may differ from the date the check was written or the date the check was deposited.

For contributions received by electronic transaction (such as credit card, debit account, or wire transfer, including those received over the Internet), report the date the committee received or had control of the credit/debit account information or other payment information, or the date the committee received or had control of the funds, whichever is earlier.

A contribution collected by means of payroll deductions or membership dues by a membership organization for its sponsored committee is received by the committee on the earlier of the following:

- The date the committee obtains actual possession or control of the contribution; or
- Within 60 days after the receipt of the payment by the committee's sponsor.

2 Contributor Information

Itemize persons and organizations that have contributed to the committee a cumulative amount of \$100 or more during the calendar year. Provide each contributor's name, street address, city, state, and zip code. Remember to maintain the names and addresses of contributors of \$25 or more in your records. (See Chapter 3.) For contributions of \$100 or more from a limited liability company (LLC) that has qualified as an independent expenditure committee or major donor, include the name of the LLC and the full legal name of the LLC's responsible officer as defined in Regulation 18402.2. If the contributor is an LLC that has qualified as a recipient committee, include the name of the committee and its principal officer as defined in Section 82047.6. For an LLC that has not qualified as a committee, include the name of the LLC and the full legal name of the individual primarily responsible for approving the contribution. If more than one individual shares in the primary responsibility of approving a contribution, at least one such individual must be identified.

QUICK TIP: Some local ordinances require itemization at less than \$100. Check with the county elections office or the city clerk.

3 Contributor Codes

For each itemized contributor, check the box indicating whether the contributor is an individual, a committee, "other" (such as a business entity), or a political party. (The code "SCC" is for small contributor committees.)

4 Occupation and Employer, I.D. Number, and Intermediary Information

If the contributor is an individual, provide the individual's occupation and employer. If the contributor is self-employed, provide the name of the business. Do not leave this section blank. If this information has not yet been obtained, enter "requested" or similar language in this section and amend Schedule A when the information has been received.

As noted in Chapter 3, a contribution of \$100 or more must be returned if the contributor's name, street address, and, if the contributor is an individual, their occupation and employer are not in the committee's records within 60 days from receipt of the contribution. Additionally, contributions of \$100 or more from a limited liability company (LLC) must be returned if, within 60 days, the committee's records do not contain the following: the name of the LLC and the full legal name of the LLC's responsible officer (for an LLC that has qualified as an independent expenditure committee or major donor); the name of the LLC's committee and the LLC's principal officer (for an LLC that has qualified as a recipient committee); or, for an LLC that has not qualified as a committee, the name of the LLC and the full legal name of the individual primarily responsible for approving the contribution.

If the contributor is a recipient committee, report that committee's identification number. If an identification number has not yet been assigned or is unknown, report the full name, street address, city, state, and zip code of that committee's treasurer.

If a contribution is received through an intermediary, provide the name, street address, city, state, zip code, and, if applicable, occupation, and employer of both the intermediary and the true source of the contribution. (See Chapter 4.) For contributions from an intermediary that is a limited liability company (LLC) that has qualified as an independent expenditure committee or major donor, include the name of the LLC and the full legal name of the LLC's responsible officer as defined in Regulation 18402.2. If the contributor is an LLC that has qualified as a recipient committee, include the name of the committee and its principal officer as defined in Section 82047.6. For an LLC that has not qualified as a committee, include the name of the LLC and the full legal name of the individual primarily responsible for approving the contribution. If more than one individual shares in the primary responsibility of approving a contribution, at least one such individual must be identified.

5 Amount Received This Period

Report the amount of the contribution.

6 Cumulative to Date

The amount listed in the “Cumulative to Date—Calendar Year” column will differ from the “Amount Received This Period” column if the committee has received other contributions, including nonmonetary contributions, loans, or loan guarantees from this same source during the calendar year.

Once a contributor has contributed \$100 in a calendar year, all future contributions received from that contributor must be itemized, regardless of the amount.

7 Per Election to Date

This column does not apply to general purpose committees, unless otherwise required by a local ordinance.

8 Schedule A Summary

Complete the Schedule A Summary section by entering the total amount of itemized contributions (\$100 or more) received this period on Line 1 and the total amount of unitemized contributions (less than \$100) received this period on Line 2. Add Lines 1 and 2 and enter that amount on Line 3. The amount on Line 3 is carried forward to the overall Summary Page, Column A, Line 2. Reminder: Once a contributor has contributed \$100 or more in a calendar year, all future contributions received from that person, regardless of the amount, must be itemized.

E. Completing the Form 460 Schedule B – Part 1 (Loans Received)

Schedule B is for reporting activity on loans received by the committee. Outstanding loans are reported on each campaign statement until they are paid off or forgiven. Schedule B has two parts:

- Part 1 lists loans received or outstanding, and the repayment, forgiveness, or payment by a third party of a loan previously received.
- Part 2 lists information about loan guarantors, if any.

QUICK TIP: If the committee has drawn on a line of credit, it is reported as a loan.

1 Lender Information and Contributor Codes

Provide the name, street address, city, state, and zip code of a lender of \$100 or more. Check the box indicating whether the contributor is an individual, a committee, “other” (e.g., business entity), a political party, or a small contributor committee. For loans that are contributions from Limited Liability Companies (LLCs) please see instructions for Schedule A above for information required to be reported in connection with contributions received from LLCs. For a loan from a commercial lending institution for which a candidate is personally liable, report the lending institution as the lender.

2 Individual Lender

If the lender is an individual, also provide the individual's occupation and employer, or, if the individual is self-employed, provide the name of the business. Do not leave this column blank. If this information has not yet been obtained, enter “requested” or similar language in this column and amend Schedule B, Part 1, when the information is received. (See Chapter 2 as contributions/loans may need to be returned if the name, address, occupation, or employer information is not received.)

Loan Amounts

a Outstanding Balance Beginning This Period

Enter the outstanding loan balance at the beginning of this reporting period (Column (d) of the last report filed). If the loan was received this period, enter zero.

b Amount Received This Period

Enter the amount received from the lender during this reporting period. If this loan was received in a previous reporting period, enter zero.

QUICK TIP: Report each loan separately, even if the committee has received more than one loan from a single source.

c Amount Paid or Forgiven This Period

Enter the amount of any reduction of the loan during this reporting period. Check the appropriate box to indicate whether the reduction was a payment or forgiveness. When the lender forgives all or part of a loan, or a third party makes a payment on a loan, also report the lender or third party on Schedule A. Enter zero if no payments were made this reporting period.

d Outstanding Balance at Close of This Period

Enter the outstanding balance of the loan at the close of this reporting period. Enter the due date, if any.

e Interest Paid This Period

Enter the interest rate and the amount of interest paid on the loan(s) during this reporting period. If the lender is not charging interest, indicate “none” on the “interest rate” line. Interest paid is reported separately from payments made on the loan principal. Interest payments are also transferred to the Schedule E Summary.

f Original Amount of Loan

Enter the original amount of the loan and the date it was received. If this is the first time the loan is being reported, this is the same amount as reported in Column (b).

QUICK TIP: A loan is a contribution unless it is received from a commercial lending institution in the ordinary course of business. It is not necessary to disclose cumulative amounts for loans that are not contributions.

g Cumulative Contributions to Date

Enter the cumulative amount of contributions (including loans, loan guarantees, monetary and nonmonetary contributions) received from the lender during the calendar year covered by the statement. Generally, the “per election” line is not applicable to general purpose ballot measure committees; however, local committees should check with the local filing officer to determine if there is a local ordinance that may require the “per election” information.

3 Schedule B Summary

Complete the Schedule B Summary by entering the total amount of loans received this period on Line 1 and the total amount of loans paid or forgiven on Line 2. Subtract Line 2 from Line 1 and enter the difference (net change this period) on Line 3. The amount on Line 3 will be a negative amount when the loans paid or forgiven this period are more than the amount of new loans received. The amount on Line 3 is carried forward to the overall Summary Page, Column A, Line 2.

Outstanding Loans Received (Summary Page – Column B, Line 2)

Loans received are carried forward on future statements until they are paid off. To determine the amount for Column B, Line 2 of the overall Summary Page, add the amount from Column A, Line 2 of this statement to the amount of Column B, Line 2 of the previous statement. If the amount in Column A, Line 2 is a negative number, subtract it from the amount in Column B, Line 7 of the previous statement.

7 Balance Outstanding to Date

Report the outstanding balance for which the guarantor is liable at the close of this reporting period.

G. General Rules for Reporting Nonmonetary Contributions Received

Schedule C is used to report nonmonetary contributions received by the committee. Nonmonetary contributions are goods or services provided to the committee for which it does not pay the fair market value.

The fair market value is the amount the committee would pay for the goods or services on the open market – whatever it would cost any member of the general public to obtain the same goods or services. (See Chapter 4 for assistance in determining the fair market value of a nonmonetary contribution.)

Examples of Nonmonetary Contributions

- Items donated for a garage sale, raffle, or auction.
- Poll results.
- Signs, postage, and printing.
- Food and entertainment provided for a fundraiser.
- Corporate stock.
- Discounts or rebates that are not extended to the general public.
- Mailing lists, mailings, and other advertising.
- Forgiveness of an accrued expense by the creditor.
- Use of an office, automobile, or airplane.
- Mail production, postage, printing, shipping, data and graphics.
- Phone banking and public communications.
- Media consulting services.
- Video services.

- Staff time and expenses.
- Facebook ads, banner ads.
- Precinct walking and door hangers.
- Food for volunteers.
- Slate mailer/slate cards.
- Campaign materials, flyers, for rally, buttons, t-shirts.
- Compensation paid by an employer to an employee who spends more than 10 percent of their compensated time in a calendar month working on campaign activities. Compensation includes gross wages paid and any benefits in lieu of wages, such as stock options or an annuity purchase. Compensation does not include standard benefits, such as the employer's payments to a retirement or health plan.

QUICK TIP: If corporate stock is received as a contribution, the amount reported on Schedule C is the value listed on the stock exchange on the date of receipt. When the stock is sold, the proceeds are reported on Schedule I as a miscellaneous increase to cash. See Chapter 4 for additional information.

(See Chapter 4 for exceptions, such as volunteer personal services, home/office fundraisers, and member communications.)

Administrative Services Provided by Committee Sponsors

If the committee is sponsored and the sponsor pays for the establishment and administrative costs of the committee, the committee is required to report the payments on Schedule C, but they are not considered contributions to the committee. The committee may report the payments in the "Description of Goods or Services" column, but not include the value of the services in the "Amount/Fair Market Value" column.

Ex 12.3 – An association forms a committee. The association collects contributions from its members, transmits them to the committee, and provides the committee with office space and staff to prepare FPPC reports. The committee reports the administrative services from the association in the “Description of Goods or Services” column on Schedule C of its campaign reports.

“Establishment and administration” of a sponsored committee means the cost of office space, phones, salaries, utilities, supplies, legal and accounting fees, and other expenses incurred in setting up and running a sponsored committee. In addition, bank fees (including fees for monthly services, purchasing/printing checks, cashier’s checks and money orders, overdraft, stop payments) and third party vendor fees, such as internet account fees and merchant account fees, are considered payments for the establishment and administration of its sponsored committee.

Other costs paid by a sponsoring organization are contributions to the committee (e.g., costs of raising funds for the committee, costs of reviewing a communication to determine the advertisement disclosure requirements, petition gathering) and are subject to regular reporting.

Ex 12.4 – A third party, in coordination with your committee, prepared a fundraising mailer for your committee. The mailer was delivered to your committee on February 22 and the third party stated the bill was paid on March 15. Your committee received the nonmonetary contribution on February 22.

1 Date Received

A nonmonetary contribution is received on the earlier of the following:

- The date funds are spent by the contributor the goods or services
- The date the committee or an agent of the committee obtains possession or control of the goods or services
- The date the committee receives the benefit of the expenditure

2 Contributor Information

Itemize persons who have contributed to the committee a cumulative amount of \$100 or more during the calendar year. Provide each contributor's name, street address, city, state, and zip code. For contributions received from Limited Liability Companies (LLCs) please see instructions for Schedule A above for information required to be reported in connection with contributions received from LLCs. Remember to maintain the names and addresses of contributors of \$25 or more in your records. (See Chapter 3.)

3 Contributor Codes

For each itemized contributor, check the box indicating whether the contributor is an individual, a committee, "other" (such as a business entity), or a political party. (The code "SCC" is for small contributor committees.)

4 Occupation and Employer Information

If the contributor is an individual, provide the individual's occupation and employer. If the contributor is self-employed, provide the name of the business. Do not leave this section blank. If this information has not yet been obtained, enter "requested" or similar language in the section and amend Schedule C when the information has been received.

5 Description of Goods or Services

Provide a brief description of the goods or services received.

6 Amount/Fair Market Value

Report the value of the nonmonetary contribution received.

Ex 12.5 – Seaside TV Sales donated a television to your committee. The cost to Seaside TV for the television was \$500. Because it would have cost your committee \$1,000 to purchase the TV at fair market value, the nonmonetary contribution from Seaside TV Sales is \$1,000.

7 Cumulative to Date

Enter the cumulative amount of contributions (including loans, loan guarantees, monetary and nonmonetary contributions) received from the contributor during the calendar year covered by the statement.

8 Per Election to Date

This column does not apply to general purpose committees, unless otherwise required by a local ordinance.

QUICK TIP: Chapter 4 provides examples on how to value nonmonetary contributions.

9 Schedule C Summary

The total of nonmonetary contributions reported on Line 3, Schedule C Summary, is reported on the Form 460 Summary Page as both a contribution (Line 4, Column A) and as an expenditure (Line 10, Column A), because the committee would otherwise have had to pay for the good or services donated.

I. General Rules for Reporting Expenditures Supporting/ Opposing Candidates, Measures, and Other Committees

Schedule D is a summary of payments reported on Schedules E, F, and H that are contributions or independent expenditures to support or oppose candidates, measures, and other committees, including:

- A monetary contribution or loan to a candidate or committee;
- A payment to a vendor for goods or services for a candidate or committee (i.e., a nonmonetary contribution);
- A donation to a candidate or committee of goods on hand, or the payment of salary or expenses for a campaign employee who spends more than 10 percent of their compensated time in a calendar month on campaign activities for other committees; and
- A payment for a communication (e.g., a mailing, billboard, radio ad) that expressly advocates the election/passage or defeat of a clearly identified candidate or ballot measure, but the payment is not made to, or at the behest of, the candidate or ballot measure committee.

J. Completing the Form 460 Schedule D

1 Date

Report the date the contribution or independent expenditure was made. A monetary contribution is made on the date it is mailed, delivered, or otherwise transmitted to the committee or an agent of the committee. A nonmonetary contribution is made on the earlier of the following:

- The date funds were expended for the goods or services;
- The date the committee or agent of the committee obtained possession or control of the goods or services; or
- The date the committee otherwise received the benefit of the expenditure.

An independent expenditure is made on the earlier of the following:

- The date the payment is made; or
- The date the committee making the payment receives consideration in exchange for the expenditure(s) (e.g., when the advertisement appears).

For purposes of reporting independent expenditures on Schedule D, the date an independent expenditure is made is the date the communication is mailed, broadcast, or otherwise disseminated to the public. If payments are made in one reporting period for a communication that is disseminated to the public during a subsequent reporting period, report the payments on Schedule E for the period in which they were made and complete Schedule D when the communication is disseminated. A payment for a communication that is never disseminated to the public is not an independent expenditure and need not be reported on Schedule D. Report the payment on Schedule E for the period in which it was made.

2 Candidate and Office, Measure and Jurisdiction, or Committee

For each contribution or independent expenditure of \$100 or more to support or oppose a candidate, ballot measure, or general purpose committee (e.g., political party) disclose:

- **Candidate:** Name of candidate, the office sought or held, and the district, if any.
- **Ballot Measure:** Number or letter and jurisdiction of ballot measure. If a number or letter has not been assigned, include the measure's title.
- **General Purpose Committee:** Name of committee.

Ex 12.6 – Your committee made a \$500 contribution to Committee to Support Bike Lanes, Yes on Measure C. In addition to reporting the contribution on Schedule D, the expenditure is also reported on Schedule E.

For each candidate or measure listed, indicate whether the payment was made to support or oppose the candidate or measure. A contribution made to a committee primarily formed to oppose a candidate or measure would be identified as a contribution in opposition of the candidate or measure.

State Committees: A committee may make contributions to a state candidate for both the primary and general election before the primary. If the candidate loses in the primary, the candidate, after deducting expenses, must return general contributions. A returned contribution is reported on Schedule I in the reporting period when it was received. Do not amend the earlier report that identified the original contribution.

3 Type of Payment

Check the applicable box to indicate whether the payment was a monetary contribution, nonmonetary contribution, or independent expenditure.

4 Description

Because payments must be described when they are reported on Schedule E or F, a description is not required for payments reported on Schedules E or F that are nonmonetary contributions or independent expenditures. However, if no payment was made, describe the goods or services and disclose the fair market value of the contribution. For example, if goods on hand are contributed to a candidate or another committee (e.g., office supplies), a description must be included.

Ex 12.7 – Your organization has two general purpose committees, both are state committees and are directed and controlled by the same board of directors. One is a small contributor committee and the other committee makes contributions to state candidates. If each committee makes a contribution to the Governor’s election committee of \$5,000 during the first semi-annual reporting period, each committee would report \$5,000 in the “Amount this Period” column, and \$10,000 in the “Cumulative to Date Calendar Year” column.

5 Amount This Period

Provide the amount(s) of contributions or independent expenditures made this period relative to each committee.

6 Cumulative to Date Calendar Year

Report the cumulative amount contributed to or expended to support or oppose each itemized committee since January 1 of the current calendar year.

If contributions are made to more than one committee controlled by the same candidate, report the total amount contributed to each committee separately. In addition, do not cumulate independent expenditures and contributions made to support a candidate.

In addition, there are situations in which contributions made by two or more committees must be aggregated for purposes of reporting cumulative amounts, and for purposes of state contribution limits.

Regulation 18428 requires committees to identify on its report contributions and independent expenditures that are subject to aggregation. This should be identified on Schedule D by listing the committee ID number of any affiliated committees that make a contribution or independent expenditure to the same committee. (See Chapter 4 for detailed information about aggregating contributions.)

7 Per Election to Date

If a contribution is made to a candidate that is subject to state contribution limits, report the total amount contributed to the candidate in connection with each election and identify the election year. The primary and general elections are separate elections. For example, a contribution of \$5,500 to a candidate for the primary election in 2024 would be reported as “\$5,500 P-24.” Some local ordinances may require that the “Per Election to Date” column be completed.

“Per Election to Date” Column			
Limitation Cycle		Year of Election	
Primary	P	2024	24
General	G	2024	24
Special	S	2025	25
Runoff	R	2026	26

For purposes of contribution limits, contributions to a committee established by a state officeholder for officeholder expenses must be cumulated with contributions to any committee controlled by the officeholder for a future election.

Ex 12.8 – Your committee makes a contribution of \$1,000 to a Senator’s 2022 election committee to help retire debt, a contribution of \$1,000 to the member’s officeholder account, and a contribution of \$1,000 to the member’s 2024 election committee for Secretary of State. For the “per election to date” total, the contributions to the officeholder account must be aggregated with the contribution to the 2024 committee so that the “per election to date” total will be \$2,000.

8 Schedule D Summary

Complete the Schedule D Summary by entering the total amount of itemized contributions and independent expenditures of \$100 or more (Line 1), the total amount of unitemized contributions and independent expenditures of less than \$100 (Line 2), and the total amount for both (Line 3). Totals from the Schedule D Summary are **not** carried forward to the overall Summary Page.

K. General Rules for Reporting Payments Made and Accrued Expenses (Unpaid Bills) on Schedules E and F

An expenditure is “made” on the date the payment is made or the date the goods or services are received, whichever is earlier. Expenditures of campaign funds must have a political, legislative, or governmental purpose. (See Chapter 7.)

Ex 12.9 – During October and November, the committee:

- (a) Paid a deposit on a room for a fundraiser to be held January 10;
- (b) Ordered and received the fundraiser invitations for which you were billed but had not made a payment by December 31; and
- (c) Ordered, but did not receive, flowers for the fundraiser for which you will be billed at the end of January.

On the semi-annual statement covering the period ending December 31, report the payment for the room deposit on Schedule E. Because you received the invitations but had not paid for them by December 31, disclose the outstanding amount on Schedule F. The cost of the flowers will not be reported until the next reporting period because you did not pay for nor did you receive the flowers during the period covered by the statement.

Use Schedule E to report money spent by the committee during the reporting period. Do not use Schedule E to report the repayment of loans received; use Schedule B, Part 1 instead. Also, do not use Schedule E when reporting loans made to other candidates, officeholders, and other committees; use Schedule H instead.

Use Schedule F to report amounts owed by the committee for goods or services received but not paid for by the end of the reporting period.

Unpaid administrative overhead expenses of the committee, such as rent, utilities, phones, or employee salaries, need not be reported on Schedule F if the committee has not received a bill in the normal course of business or if the due date for the payment is after the closing date of the statement. Regular administrative overhead expenses do not include contracts for services such as accounting, legal, campaign consulting, and public relations. (See the Schedule C instructions earlier in this chapter if your committee's sponsor provides administrative services to the committee.)

Ex 12.10 – On June 15, your committee received two bills for June services. One bill was from a printing company and the other was for office rent. The due date for both invoices is July 15. If, on June 30, the committee has not paid the two bills, the bill from the printing company is reported on Schedule F as an accrued expense on your semi-annual statement; the rent bill, however, is not.

Information Required

Itemize each payment made or accrued expense owed of \$100 or more to a single source, and any payments made totaling \$100 or more for a single product or service made during the period.

If the committee has entered into an agreement to make payments over time for a product or service, other than general administrative expenses such as rent and utilities, the unpaid balance may be reportable on Schedule F as an accrued expense.

Payments for Online Communications

As reviewed in Chapter 9, the Act requires specific disclosures on advertisements so that voters have the information they need to make informed decisions about the information they receive, whether from a digital or other source. Regulation 18421.5 requires a committee to report certain information when it pays an individual, either directly or through a third party, to create content for a digital platform unless the content provides a clear and conspicuous statement that a committee paid the author for the content.

Schedules E or F must identify such payments using the code “WEB.” In the description field, the following must be identified: the amount of the payment, the payee, the name of the individual providing content, and the name of the website or the URL on which the communication is published in the first instance.

The regulation applies when a campaign committee pays someone to provide favorable or unfavorable content on an Internet website (other than the committee’s own website) about a candidate or ballot measure. It covers such content as a post for a blog, a video produced and posted online, and content created for social media. The regulation requires a campaign to disclose where the initial posting is made (on a supportive blog, for example), but does not require the campaign to know where the content is shared or passed on to after that initial post.

Savings Accounts/Certificates of Deposit/Money Market Accounts

Do not report the transfer of campaign funds into a savings account, certificate of deposit, money market account, or the purchase of any other asset that can be readily converted to cash on Schedule E. Report these amounts as part of cash on hand on the Summary Page, Line 16.

Subvendor Payments (often reported on Schedule G)

Whenever an agent or independent contractor (such as a consulting firm or advertising agency) makes an expenditure, or incurs a debt, of \$500 or more on behalf of the committee, the expenditure must be reported in the same detail as if it had been made directly by the committee. Regulation 18431 lists the commonly known “subvendor payments.” Examples of subvendor payments that must be itemized include:

- Development of campaign strategy;
- Media placements – television, radio, cable, digital (specifically listing the TV or radio stations);
- Commissions paid to media firms for media placements;
- Travel expenses, such as a commercial airline or hotel paid \$500 or more;
- Print or online advertisements;
- Polling and survey research;
- Talent and media services, production costs;
- Voter canvas program*;
- Robocalls;
- Printing and literature; and
- Design or management of campaign literature or advertising.

*When reporting an expenditure made by an agent or independent contractor to an individual for conducting signature gathering, door-to-door solicitations, or canvassing, the committee and the agent or independent contractor are not required to report the name of the individual. See Regulation 18431(e).

Ex 12.11 – A committee paid a volunteer \$665 for fundraiser expenses of \$535 worth of food and \$130 for decorations. Itemize the volunteer’s name and address on Schedule E, mark “FND” and the amount being reimbursed: \$665. On Schedule E or G, list the name and address of the vendor who has been paid \$500 or more, enter the code FND, and the amount paid to each vendor.

Ex 12.12 – A committee pays a consultant \$80,000 to design an advertising campaign. The consultant buys air time on three TV stations. On Schedule E, the committee will show a payment of \$80,000 to the consultant. On Schedule E or G the committee will itemize each station, noting the amount each station received.

Agents and independent contractors must provide the committee with the required payment information **no later than** three working days prior to when the Form 460 campaign statement must be filed.

Expenditures made by the agent or independent contractor for its own overhead and operating expenses need not be itemized. The committee also must obtain and keep receipts, invoices, and other documentation of subvendor payments. (See Chapter 3.)

In many cases, funds paid to an agent or independent contractor in one reporting period will not be used by the agent or contractor until a subsequent reporting period. Report payments to the agent/contractor on Schedule E of the campaign statement covering the period in which the payment was made. When the agent/contractor spends the money, report subvendor payments on the campaign statement covering the period in which the agent/contractor made the expenditures; itemize payments made by the agent/contractor of \$500 or more.

Subvendor payments are most commonly reported on Schedule G, but may be reported on Schedules E or F along with the payment made or owed to the agent/contractor. When itemizing subvendor payments on Schedules E or F, do not include the payments in the “Amount Paid” column, as this will inflate expenditure totals.

Ex 12.13 – The treasurer of a committee paid a printer with the committee’s credit card on December 28. Since the committee did not make a payment on the credit card by December 31, the end of the reporting period, the amount owed is reported on Schedule F of the committee’s semi-annual statement.

Credit Card Payments

When reporting payments to a credit card company, report the company’s name, street address, city, state, zip code, and the amount of payment. In addition, provide the name, street address, city, state, and zip code of any vendor that received \$100 or more, the amount paid to each vendor itemized, and a code or description of the payment.

If a payment on the credit card has not been made by the end of the reporting period, or only partial payment has been made, report the amount outstanding to the credit card company on Schedule F. Payments to the credit card company should be reflected on Schedule E, when payments are made, and Schedule F, when there is a balance still owing at the end of the reporting period. Vendors are not required to be listed more than one time, on either Schedule E or Schedule F. Schedule G may also be used to disclose vendors.

Contingency Payments

If the committee has entered into an agreement to pay a contingency fee, such as a bonus to a consultant if the campaign is successful, report the fee amount on Schedule F **only** if it is outstanding at the end of the campaign. The fee is not required to be reported as an accrued expense until it is due.

L. Completing the Form 460 Schedule E (Payments Made)

1 Name and Address of Payee

Itemize each payment of \$100 or more to a single payee during the reporting period, and any payments totaling \$100 or more made during the period for a single product or service. Include the name, street address, city, state, and zip code of the recipient. Do not use post office box numbers when reporting the address of a payee or creditor.

QUICK TIP: A federal or out-of-state PAC is only required to itemize expenditures made in California. Non-California expenditures are reported as a lump sum. See Chapter 15 for additional information.

Ex 12.14 – When a committee pays the balance of its credit card, the payment is required to be reported on Schedule E and F. A specific vendor that was already identified on a previous report on Schedule F as an accrued expense is not reported.

2 Code or Description of Payment

When itemizing payments, provide either a code or a description of the payment. (Expenditure codes are explained in detail in the Form 460, Schedule E instructions.) If none of the codes fully explains the expenditure, leave the code column blank and provide a brief description of the goods or services purchased.

If several expenditures are made to one vendor during the same reporting period, all of the payments to the vendor may be reported in a single record. When coding the expenditures, use the code that represents the largest share of the expenditures, and the description field for the other codes or a description. Alternatively, an expenditure may be reported separately by category.

For expenditures that are contributions or independent expenditures to support or oppose a candidate or ballot measure, provide the applicable code “CTB” or “IND” and disclose the name of the candidate or committee that received the contribution, or the name of the candidate or ballot measure supported or opposed by the independent expenditure. Include a brief description of the payment for a nonmonetary contribution or an independent expenditure. **These expenditures also must be disclosed on Schedule D.**

3 Amount Paid

Enter the total amount paid to the payee during the reporting period.

Payment of Accrued Expenses

When paying for accrued expenses previously reported on Schedule F, report all payments on Schedule E, itemizing each payment of \$100 or more. Subvendor information does not need to be reitemized if it was identified on Schedule F of a previous report.

4 Schedule E Summary

Complete the Schedule E Summary by entering the total amount of itemized payments of \$100 or more (Line 1) and the total amount of unitemized payments of less than \$100 (Line 2). If the committee is paying interest on loans, enter the amount from Schedule B, Part 1, Column (e) on Line 3. The total amount of all payments made is entered on Line 4. The amount on Line 4 is carried forward to the overall Summary Page, Column A, Line 6.

M. Completing the Form 460 Schedule F – Accrued Expenses (Unpaid Bills)

1 Name and Address of Creditor

Itemize each accrued expense of \$100 or more owed to a single creditor. Provide the name, street address, city, state, and zip code of the creditor. Do not use post office box numbers.

2 Code or Description of Payment

When itemizing accrued expenses, provide either a code or a description of the outstanding payment. (Expenditure codes are explained in detail in the Form 460, Schedule E instructions.) If none of the codes listed on Schedule F fully explains the outstanding payment, leave the code column blank and provide a brief description of the goods or services.

QUICK TIP: Continue to list an unpaid debt until it is paid off. Subvendor payments are required to be reported only once.

If several accrued expenses are owed to one vendor during the same reporting period, all of the accrued expenses to the vendor may be reported in a single record. When coding accrued expenses, use the code that represents the largest share of the accrued expenses, and the description field for the other codes or a description. Alternatively, each expenditure may be reported separately by category.

For accrued expenses in connection with contributions or independent expenditures to support or oppose a candidate or ballot measure, provide the applicable code “CTB” or “IND” and disclose the name of the candidate or committee that received the contribution, or the name of the candidate or ballot measure supported or opposed by the independent expenditure. Include a brief description of the payment for a nonmonetary contribution or an independent expenditure. **These expenditures also must be disclosed on Schedule D.**

Ex 12.15 – On its second preelection statement, a committee reported an estimated accrued expense of \$5,000 owed to Reliable Printing. An invoice was received during the next reporting period showing the actual amount owed as \$4,500. On Schedule F, column (a) of its next statement, the committee will report an outstanding accrued expense of \$5,000. In column (b), the amount incurred this period will be a negative \$500. The committee paid the entire bill and therefore will report \$4,500 as paid this period in column (c), with a zero balance in column (d).

3 Amount Columns

For each itemized accrued expense, report any outstanding balance remaining for the accrued expense from the previous period in column (a), the amount of new accrued expenses incurred this period in column (b), the amount paid this period in column (c), and any outstanding balance at the close of the period in column (d).

When payments on accrued expenses are made, in addition to itemizing payments of \$100 or more on Schedule F, itemize the payments on **Schedule E**. Include unitemized payments on accrued expenses on Line 2 of the summary section of Schedule E.

Estimating Accrued Expenses

If the exact amount of a debt or obligation is unknown, an estimate may be reported. When the exact amount is known, the committee must 1) amend the statement on which the estimated amount was reported; or 2) make an adjustment on the next campaign statement by showing the difference between the estimated amount and the actual amount in column (b), Amount Incurred This Period. If the actual amount is less than the estimate, the amount listed in column (b) should be a negative number and subtracted from the totals. When reporting estimated amounts or corrections to estimated amounts, note that fact on the campaign statement.

Forgiven Accrued Expenses or Third Party Payments

If a creditor reduces or forgives a debt previously reported on Schedule F, or if another person pays a debt for the committee:

- Indicate that the debt was forgiven, reduced, or paid by a third party and enter “See Schedule C” in the “Description of Payment” column. Also report the creditor/payor and the amount as a nonmonetary contribution on Schedule C.
- Report the amount forgiven, reduced, or paid by a third party in the “Amount Paid This Period” column and indicate that it was a forgiveness or third party payment **or** report the amount as a negative number in the “Amount Incurred This Period” column. Do not report the amount on Schedule E.

If the decision to forgive or reduce the debt is based on a bona fide business judgment that all or part of the debt is uncollectible, depending on the facts, the creditor may not be making a contribution. The FPPC may be contacted for assistance.

4 Schedule F Summary

Complete the Schedule F Summary by entering the total amount of accrued expenses **incurred** on Line 1 and the total amount of accrued expenses **paid** on Line 2. Subtract Line 2 from Line 1 and enter the difference (net change this period) on Line 3. The amount on Line 3 will be a negative amount when the accrued expenses paid are more than the amount of new accrued expenses. The amount on Line 3 is carried forward to the overall Summary Page, Column A, Line 9.

Outstanding Accrued Expenses (Summary Page, Column B, Line 9)

Accrued expenses are carried forward on future statements until they are paid off. To determine the amount for Column B, Line 9 of the overall Summary Page, add the amount from Column A, Line 9 of this statement to the amount of Column B, Line 9 of the previous statement. If the amount in Column A, Line 9 is a negative number, subtract it the amount from the amount in Column B, Line 9 of the previous statement.

Answering Your Accrued Expenses Questions

A. When are unpaid bills reportable as accrued expenses?

The basic rule is that you must report an accrued expense any time you have received goods or services but have not paid for them by the end of the reporting period.

B. What if our committee has not received an invoice from the vendor yet?

If you have received the goods or services, you must report the accrued expense on Schedule F even if you have not received an invoice. If you do not know the actual amount, you may estimate the amount of the expense. Once the committee is made aware of the actual amount, the committee must either amend the statement on which the estimated amount was reported or make an adjustment on the next campaign statement by showing the difference between the estimated amount and the actual amount in column (b), "Amount Incurred This Period." When reporting estimated amounts or corrections to estimated amounts, note that fact on Schedule F.

C. We have a contract to pay our campaign consultant \$1,000 per month. If the closing date of the campaign statement falls during the middle of the month, for example March 17, must we report an accrued expense for the period of March 1 through March 17?

No. When you have agreed in writing to pay a contractor a set amount at regular intervals, it is not necessary to report as an accrued expense the amount owed to the contractor if the reporting period closes before the end of the contract period. The payment will be reported on Schedule E of the campaign statement for the period in which the payment is made.

N. Completing the Form 460 Schedule G – Payments Made by an Agent or Independent Contractor

Use Schedule G to report payments made on behalf of the committee by agents (such as campaign workers) and independent contractors (such as consulting firms or advertising agencies). This schedule may be used in lieu of itemizing these payments on Schedules E and F. Itemize payments of \$500 or more made by the agent or independent contractor. Provide the name, street address, city, state, and zip code of the payee. Do not use post office box numbers. Schedule G totals are not transferred to any other schedule or to the Summary Page.

QUICK TIP: When reporting an expenditure made by an agent or independent contractor to an individual for conducting signature gathering, door-to-door solicitations, or canvassing, the committee and the agent or independent contractor are not required to report the name of the individual. See Regulation 18431(e).

QUICK TIP: Schedule G may be completed by the committee from information provided by the agent or independent contractor or it may be completed by the agent or independent contractor. Agents and independent contractors must provide the committee with the required information no later than three working days prior to the filing deadline for the campaign statement.

O. General Rules for Reporting Loans Made to Others

Schedule H is for reporting loans made by the committee. Outstanding loans are reported on each campaign statement until they are paid.

Generally, campaign funds may be used to make loans to candidates, officeholders, or bona fide charitable, educational, civic, religious, or similar tax-exempt nonprofit organizations. A substantial part of the proceeds may not have a material financial effect on the committee treasurer, or any individual with authority to approve the expenditure of campaign funds, or a member of their immediate family. The loan must also bear a reasonable relationship to a political, legislative, or governmental purpose. Loans made to state candidate election committees are subject to state contribution limits.

QUICK TIP: Loans may not be made with committee funds to the sponsor of the committee unless the funds are used for a political, legislative, or governmental purpose.

Enter the outstanding balance of the loan at the close of this reporting period. Enter the due date, if any.

e Interest Received

Enter the interest rate and amount of interest received on the loan during this reporting period. Interest received is reported separately from payments received on the loan principal. Interest received is also transferred to the Schedule I summary.

f Original Amount of Loan

Enter the original amount of the loan and the date it was made. If this is the first time the loan is being reported, this will be the same amount as reported in Column (b).

g Cumulative Loans to Date

For each loan that is a contribution, enter the cumulative amount of contributions (including loans, loan guarantees, monetary and nonmonetary contributions) made to the recipient during the calendar year covered by the statement. If the recipient is a state candidate, also enter the total amount contributed in connection with each election and identify the election year. Because loans are contributions, the total amount of contributions, including loans, may not exceed the applicable state contribution limit. (Report loans to candidates or other committees on Schedule D.)

2 Schedule H Summary

Complete the Schedule H Summary by entering the total amount of loans **made** on Line 1 and the total amount of loan payments **received** on Line 2. Subtract Line 2 from Line 1 and enter the difference (net change this period) on Line 3. The amount on Line 3 will be a negative amount when the loan payments received this period are more than the amount of new loans made. The amount on Line 3 is carried forward to the overall Summary Page, Column A, Line 7.

Outstanding Loans Made (Summary Page – Column B, Line 7)

Loans made are carried forward on future statements until they are paid off. To determine the amount for Column B, Line 7 of the overall Summary Page, add the amount from Column A, Line 7 of this statement to the amount of Column B, Line 7 of the previous statement. If the amount in Column A, Line 7 is a negative number, subtract it from the amount in Column B, Line 7 of the previous statement.

Q. General Rules for Reporting Miscellaneous Increases to Cash

Report on Schedule I increases to the committee's cash position that are not monetary contributions, loans, or repayments of loans made to others. Examples include:

- Proceeds, up to the fair market value, of items sold at a garage sale or auction.
- Contributions returned to the committee.
- Refunds received on deposits, such as a telephone or room rental deposit or from over-payment of bills.
- Interest received or credited to a checking or savings account or other time deposit.
- Interest payments received on loans made to others.
- Receipts from the sale of committee assets.
- Receipt of earmarked funds when acting as an intermediary (see Chapter 3).

Ex 12.16 – A television was donated by Seaside TV Sales for your committee's auction. The television's fair market value was \$1,000. A person paid \$1,500 for the television. Report the purchaser information and report \$1,000 in the amount column of Schedule I. On Schedule A also report the purchaser as a contributor of \$500, the amount over the fair market value. Seaside will be reported as a contributor of \$1,000 on Schedule C.

Uncashed Checks

If the committee writes a check that is never deposited or negotiated, report the amount of the uncashed check on Schedule I.

Decreases to Cash

All decreases to cash must be reported as expenditures on Schedule E or H.
