Fair Political Practices  
Commission  
1100 K Street  
Sacramento, CA 95814

Gentlemen:

I am seeking an opinion regarding the following matter. Members of the City Council, City Commissions, and City staff receive free annual passes from a theatre chain with a facility located within the City.

My question is, if the local theatre submits an application requesting a zone variance, modification of their existing Conditional Use Permit, or other matter that requires action by the City Council or City Commission, may those members of the City Council, City Commissions, and staff who receive passes participate in the deliberations. The subject theatre pass is reported as a gift on Schedule F of Statements of Economic Interests form by all City officials receiving same.

Sincerely,

Karl L. Koski  
City Manager
