Warning Letter: FPPC No. 2021-00761, Vince Lundgren

Dear Mr. Lundgren:

The Enforcement Division of the Fair Political Practices Commission enforces the provisions of the Political Reform Act¹ (the “Act”). As you are aware, the Enforcement Division opened a Commission-initiated investigation regarding your potential violations of the economic interests disclosure provisions of the Act as a write-in Candidate for Governor in the September 14, 2021 Gubernatorial Recall Election.

The Enforcement Division found that as a result of your position as a write-in Candidate for California Governor in the September 14, 2021 Gubernatorial Recall Election, the Act required you to file a Candidate SEI and you violated the Act by failing to file your Candidate SEI by the August 31, 2021 deadline.

Under the Act, a candidate for elective office is required to file a Candidate SEI disclosing his or her investments, business positions, interests in real property and income received during the previous 12 months as outlined in the disclosure category for the position he or she is seeking.² The SEI must be filed no later than the deadline for the declaration of candidacy.³

You violated the Act by failing to file the Candidate SEI by August 31, 2021, the deadline to file for write-in candidacy. However, since you have now filed the Candidate SEI, you were unsuccessful in the September 14, 2021 Election, and you have no history of violating the Act, the Enforcement Division has decided to close your case with this warning letter rather than a fine.

This letter serves as a written warning. The information in this matter will be retained and may be considered should an enforcement action become necessary based on newly discovered information or future conduct. Failure to comply with the provisions of the Act in the future will result in monetary penalties of up to \$5,000 for each violation.

A warning letter is an Enforcement Division case resolution without administrative prosecution or fine. The Commission has adopted Regulation 18360.1 to authorize the Enforcement Division to

issue warning letters to conclude cases in specified circumstances. However, the warning letter resolution does not provide you with the opportunity for a probable cause hearing or hearing before an Administrative Law Judge or the Commission. If you wish to avail yourself of these proceedings by requesting that your case proceed with prosecution rather than a warning, please notify us within ten (10) days from the date of this letter. Upon this notification, the Enforcement Division will rescind this warning letter and proceed with administrative prosecution of this case. If we do not receive such notification, this warning letter will be posted on the Commission's website ten (10) days from the date of this letter.
